Jammu Smart City Limited (JSCL) invites applications for empanelment of OEMs/Authorized Agencies for sale of e-autos/e-rickshaws of L3/L5 categories to the intending customers. The applications on the letterhead of the OEM/Authorized dealer along with EMD and other documents shall be addressed to Chief Executive Officer, Jammu Smart City Limited on the following address: -

Chief Executive Officer,
Jammu Smart City Limited,
4th Floor, North Block,
Bahu Plaza, Jammu-180012.

The last date for receipt of application complete in all respects is 5th of February 2022. The modalities and terms and conditions of this request for empanelment are available on JSCL website at www.jammusmartcity.in

Any other information/clarification with regard to empanelment process can be obtained from General Manager, Finance & Accounts, JSCL at gm.fa@jammusmartcity.in (Mob. 9250917699). Any application received on the above-mentioned address after last date of submission shall not be accepted.

Chief Executive Officer,
Jammu Smart City Limited

Empanelment of OEM / Agencies for EV Passenger 3-Wheelers (e-Auto) within Jammu Municipal limits

- JSCL shall identify and finalize the prospective EV Passenger 3-Wheelers (e-auto/e-rickshaws) OEMs and their Agencies operating in Jammu City.
- The criteria for the selection of OEMs/Agencies shall be based on the following parameters:
 - The OEM should have remained operational in the field of e-vehicles for the last three years. The Agency operating in Jammu city for the OEM should be authorised agency of the OEM.
 - The Authorised Agency of the OEM must have adequate experience in the field of e-Vehicles. It must have sold at least 50 e-Vehicles during any one of the last three financial years (2018-19 to 2020-21).
 - The agency should have an average financial turnover of ₹1.00 Cr. in at least three out of last five financial years i.e., 2016-17 to 2020-21.
 - The Authorised Agency shall give an undertaking for its willingness to participate as an empanelled agency of JSCL. The validity of the empanelment should be 1 year from the date of notification by JSCL.
 - The prospective agency desirous of empanelment with JSCL shall have to pay a token EMD of ₹1.0 lacs in the shape of CDR/FDR valid till the end of empanelment period.
- Identified OEM/Agency shall provide detailed Technical cum commercial proposal for its proposed e-auto/e-rickshaw models of L3/L5 category.
 - The technical proposal should comprise of technical specifications of e-Auto/e-Rickshaw of L3/L5 category. The main features should indicate the maximum achievable speed, maximum load carrying capacity including a driver and luggage, the power of the motor, the capacity of lithium-ion battery used etc. The technical specification should conform to FAME-II guidelines.
 - The OEM/Agency has to furnish its commercial proposal depicting how the end user i.e., e-3 wheeler driver shall be facilitated in obtaining loan from any commercial/Scheduled bank on competitive rates.

- The empanelled agency shall be required to give a proof of concept of the e-vehicle (Auto/Rickshaw) for successful demonstration of performance with proposed model of L3/L5 category vehicle with actual passenger and luggage load under actual traffic and road conditions within specified routes for a minimum period of 3 days.
- OEM/Agency shall also provide details about the On-Road price of the vehicle with break ups of prices & FAME-II subsidy and any other subsidy/discount from OEM or others.
- The OEM/Agency shall sign a MoU with Jammu Smart City to be empanelled with JSCL.
- Once the OEM/Agency is empanelled with JSCL, the OEM/Agency have to persuade/motivate prospective buyers to buy the EV e-Auto and to ply the same on the identified routes (by RTO) within the Municipal limits of Jammu. The choice of model/route shall be left exclusively to the discretion of buyer.
- Individual Buyers will get the Special Subsidy Package from JSCL in the following manner:

SN	Subsidy benchmarks	L5 Vehicles	L3 Vehicles
1	Credit-linked - Upfront Subsidy	₹50,000	₹40,000
2	Credit-linked - Handhold support payable in Equal Monthly Instalment for 12 Months	₹24,000 (₹2,000 per month)	₹18,000 (₹1,500 per month)
Total Subsidy		₹74,000	₹58,000

- The applicable subsidy shall be made by JSCL under Direct-Benefit-Transfer to beneficiary's Bank Loan Account on submission of relevant documents such as electric vehicle registration certificate/route permit and Bank loan documents.
- This subsidy shall be applicable only for vehicles purchased during the delivery phase i.e., first 9 month of project period and the same shall

be made under Direct-Benefit-Transfer to beneficiary Bank Loan Account.

- The OEM/Agency shall file the subsidy request with JSCL along with all the requisite documents and loaning arrangements for the buyer.
- JSCL shall accord formal sanction to the individual cases of the buyer and revert back the OEM/Agency for further necessary action.
- The OEM/Agency shall publicize this scheme through several media platforms, road shows etc. to sensitize prospective bidders about the need to switch to e-3 wheelers.
- The OEM/Agency shall make loaning arrangements for buyers through scheduled/commercial banks/lending partners and shall ensure processing and disbursement of loan in time-bound manner so that the beneficiaries can purchase the e-vehicle immediately.
- The Scheme lending/banking Partner shall extend loan facility to the extent of 100% of the On-road Price of the e-vehicle to be purchased under the scheme.
- The OEM/Agency has to create mechanism for scrapping/ buy back of old petrol/diesel auto. Cost rebate of vehicle scrapped/buy back vehicles shall be assessed through government authorized valuer and shall be as per the market standard.
- For the scrapping/ buy back of old petrol/diesel auto, the OEM/Agency will be required to offering the equitable deals / special price as per the model and condition of the vehicle. For ensuring enhanced sales, the agency shall be free to offer lucrative incentives/buy back offers as per market requirement.
- The OEM/Agency shall ensure/create adequate charging facility/options.
- JSCL Shall be a facilitator to buyers under this project in obtaining plying permits on specified routes within municipal limits, from the concerned competent authority.
- The EMD of an agency that fails to reach a target of selling 20 e-autos/e-rickshaws in 9 months shall be forfeited.
